SCI-FI FANTASY

THE BOOK EATERS

By Sunyi Dean

Book Eaters live among us: a secret community of people for whom books are food. As they nourish themselves with pages and bindings and gilded edges, they also consume the information inside. And what is consumed cannot be forgotten.

At the old Fairweather Manor, tucked away in the English moors, young Devon was raised on a diet of fairytales and dark warnings about what happens to those who disobey the Family, one of the oldest lineages of book eaters. As she enters adulthood, she is prepared for the life she's been groomed for, one of wealth, arranged marriages, and forced childbearing.

But when her son is born a rare mind eater -- a child who must feed on human minds rather than books -- Devon cannot let the Family make a monster out of him, even if she must become the monster herself in order to protect him.

And she will burn down anyone who stands in her way.

Dark and moody, and set in an alternate Britain, THE BOOK EATERS is an adult contemporary fantasy thriller with a lesbian lead, that will appeal to vampire fans who want something new, frightening, and satisfying.

HALL OF SMOKE

by H.M. Long

One of GoodReads 45 most anticipated SFF books of 2021!

Epic fantasy featuring warrior priestesses and fickle gods at war, for readers of Brian Staveley's *Chronicles of the Unhewn Throne*.

Hessa is an Eangi: a warrior priestess of the Goddess of War, with the power to turn an enemy's bones to dust with a scream. Banished for disobeying her goddess's command to murder a traveller, she prays for forgiveness alone on a mountainside.

While she is gone, raiders raze her village and obliterate the Eangi priesthood. Grieving and alone, Hessa - the last Eangi - must find the traveller and atone for her weakness and secure her place with her loved ones in the High Halls. As clans from the north and legionaries from the south tear through her homeland, slaughtering everyone in their path Hessa strives to win back her goddess's favour.

Beset by zealot soldiers, deceitful gods, and newly-awakened demons at every turn, Hessa burns her path towards redemption and revenge. But her journey reveals a harrowing truth: the gods are dying and the High Halls of the afterlife are fading. Soon Hessa's trust in her goddess weakens with every unheeded prayer.

Thrust into a battle between the gods of the Old World and the New, Hessa realizes there is far more on the line than securing a life beyond her own death. Bigger, older powers slumber beneath the surface of her world. And they're about to wake up.

DEATH IN BLOOM

By Jess Dylan

The first in a sweet and colorful cozy mystery series from Jess Dylan, *Death in Bloom* introduces flower shop owner Sierra Ravenswood.

At the Flower House, every rose has its thorn . . .

Sierra Ravenswood is the new part-time employee of the Flower House, a flower shop in Aerieville, Tennessee. It's true she didn't expect to be back in her hometown at twenty-eight-years-old, but after her dream of making it as a singer in Nashville crashed and burned, she's just grateful to have found a soft place to land.

Because, after all, Sierra firmly believes in being optimistic and positive about life, so she's sure she won't have to work at the Flower House forever. But things take a decidedly negative turn when a customer drops dead in the middle of her new bouquet-arranging workshop at the store. When it's discovered he was poisoned by a snack at the event, everyone at the workshop, including Sierra, is on the suspect list. To make matters worse, her boss has gone AWOL and left the store to her for the cost of one dollar, leaving Sierra in charge of both his store and his high-energy Corgi puppy, Gus.

The town is on edge, and Sierra knows that murder is something that an upbeat attitude and a bouquet of sweet-smelling roses can't fix. She's determined to figure out whodunit, before anyone else in town meets an untimely reason for needing funeral flowers.
